Then we have an interesting offer for you...

Come with us into a unique project of the living archaeology at the foot of the Low Tatras, near Partizánska Ľupča (**Liptov region, northern Slovakia**). On an area of over 5 ha we are building a complex of prehistoric buildings, which maps the settlement of Slovakia from the earliest times to early Medieval period. Areal including a pottery workshop, smithy, weaving workshop and Mint of Celts. On a picturesque location near the forest is growing open-air living museum that attract thousands of visitors annually. It will be held many attractive events, like a biggest Celtic festival in Slovakia, Ancient food festival, Roman and Germanic games as well as the World Primitive Plow Championships. We are preparing many workshops and symposiums for a wide range of visitors.

For your commitment we offer not only a unique experience but certainly will draw inspiration on magic and mysterious places on Liptov. You will learn to chop flint, archery, grow crops, produce pottery, build straw and natural houses, treat wood and clay. In our area is animal husbandry and we also produce tasty products that you can taste. You can also camp with us. And certainly you get much more.

WE LOOKING FOR

Our project is located in the heart of nature. So it is for people which do not mind some discomfort, who likes camping and „cottage culture“, don't mind physical work, and „the smell of animals“, not expected „served menu“ and hotel bathroom. Our volunteers should be sociable, friendly, communicative, with a positive attitude, friendly to nature and cultural heritage, arts, crafts, and animals. Is also welcomed craftsmanship, or at least positive attitude to manual activities. In our project it is not necessary physical validity, because various activities are not physically demanding, but rather persistence and determination solving problems and finding solutions. Our candidate should be ready to fulfill the tasks assigned its leader and able to work well in a team. We are not prescriptive company but an association of equals enthusiasts which share a common noble goal. Important is the willingness to learn and want to improve.

WE OFFER

Accommodation - in army tents with beds, or the ability to build your own dwelling in the fenced area. After completion of prehistoric houses (summer 2016) will be experienced housing „ala prehistoric resort“.
