

Detailed Course Syllabus

Academic Year		2024./2025.		Semester	Summer
Study Program	Undergraduate university study	Specialization / Major in Communication Sciences	Communication Sciences	Year of Study	1-3

I. BASIC COURSE INFORMATION

Name	Global Media Education		
Abbreviation	IZBP266	Code	279902
Status	Elective	ECTS	4
Prerequisites	No		
Total Course Workload			
Teaching Mode	Total Hours	Teaching Mode	Total Hours
Lectures	30	Seminar	15
Class Time and Place	According to the published schedule		

II. TEACHING STAFF

Course Holder

Name and Surname		Igor Kanižaj	
Academic Degree	PhD	Professional Title	Full Professor
Contact E-mail	igor.kanizaj@unicath.hr		Telephone +385 (1) 3700-66-00
Office Hours	According to published timetable		Office

Course Collaborator

Name and Surname		Leali Osmančević		
Academic Degree		PhD	Professional Title	Postdoctoral Researcher
Contact	E-mail	leali.osmancevic@unicath.hr	Telephone	/
Office Hours		According to published timetable	Office	

III. DETAILED COURSE INFORMATION

Teaching Language	English
Course Description	<p>Objectives of the course: Understand and evaluate the concepts of media education, media and information literacy and transliteracy in a global perspective. Provide a systematic approach for the media education policies analysis. Present and elaborate on the importance of the key stakeholders in media education field on a global scale. Assess the quality of the media education model on selected number of countries and regions based upon the usage of media education indicators.</p> <p>Course content: We will start with the introduction to the course and theoretical overview of key concepts and basic terms: media education, media competence, media literacy, media and information literacy and transliteracy. The course will focus on Global Media Education perspectives and models with strong emphasize on the importance of the cultural contexts. It will provide a detailed overview of the characteristics of audiences in the digital era with a specific perspective of the European models of media education. Furthermore, the role and responsibilities of the prominent institutions will be evaluated such as: UNESCO, UNICEF, EUROPEAN COMMISSION, COUNCIL OF EUROPE, OECD, NATO, EDMO... An important segment are also media literacy policies and guidelines. We will provide a detailed perspective on how the existing audiences (such as older people and youngsters) are represented in the media education models. Due to increased usage of social network within Gen Alpha visual literacy is also recognized as the emerging field in the communication science within the media education programs. Finally, new challenges and future perspectives will focus in more detail on the role of algorithms and artificial intelligence in media education programs.</p>
Expected Educational Outcomes	<p>At the end of the course students will be able to:</p> <ol style="list-style-type: none"> 1. Explain the difference between transliteracy, media and information literacy and media education. 2. Identify key similarities and differences between the most prominent global media education models. 3. Explain the new paradigm of the <i>post pandemic media education futures</i>. 4. Analyze the role of youngsters and older people as users and co-creators of the media content. 5. Evaluate the overall influence of the media on education. 6. Critically evaluate media education policies. 7. Distinguish between systematic and sustainable media education policies in comparison to a short term educational interventions. 8. Compare and evaluate the role of the most prominent institutions in promoting and advocating for media education programmes. 9. Assess the quality of the media education model in one specific country based upon the usage of media education indicators. 10. Describe the challenges for usage of AI and Algorithms in media educational programs.

Examination and Grading

To Be Passed	Yes	Exclusively Continuous Assessment	No	Included in Average Grade	Yes
Prerequisites to Obtain		1. Regular attendance – presence in at least 70% of classes according to the study program and performance curriculum;			

**Signature and
Take Final Exam**

2. Duly executed seminar obligations – prepared and presented seminar presentation;
3. Acquisition of a minimum success of 35% during classes within the given teaching activities – cumulatively achieved at the seminar presentation and two colloquia.

**Examination
Manner**

- 1) Teaching activities – seminar presentation; 1. colloquium (written) and 2nd colloquium (written).
- 2) Final exam (oral).

The numerical scale of student work grading:

sufficient (2) – 50-64,9 %

good (3) – 65-79,9 %

very good (4) – 80-89,9 %

excellent (5) – 90 to 100 %

Grading Manner

a) Teaching activities – 70% grade

1) Seminar presentation – max. 20 %;

2) 1st colloquium – max. 25 %;

3) 2nd colloquium – max. 25 %;

b) Final exam

4) Oral exam – max. 30% (to pass, it is necessary to answer 50% of the questions asked correctly).

**Detailed
Overview of
Grading
within ECTS**

ACTIVITY	ECTS share	(%)
Class attendance	1.3	0
Colloquium 1	1.18	25
Colloquium 2	1.18	25
Seminar presentation	0.94	20
Total in the class	4.6	70
Final exam	1.4	30
Total credits	6	100

Midterm Exam Dates	Week 7 and 13
Final Exam Dates	According to the published schedule
